International Buddy Program Event at Spare Time in Greenville

International Buddy Program

Kicked off February with our second Buddy Event of the year at Spare Time in Greenville. We started the night playing tons of fun arcade games and later were able to secure some lanes for bowling. We ate tons of delicious food and had a great time hanging out all together!

We are looking forward to our event next month! We will be having a picnic on the beautiful green lawn on campus and will do some painting!

Charleston Trip

Spent a great weekend in Charleston, South Carolina a few weeks ago. Located on the coast, Charleston is the oldest and largest city in the state. During our visit, students were able to visit many popular destinations such as local art museums, the Charleston Market, Battery Park, and many more. Several students even took a pit stop at Folly Beach to see the ocean!

Saturday night we enjoyed a great group dinner at TBoyz Gill & Grill. From steak to seafood, they had so many great choices and everyone had a great meal. We finished the trip with 2nd Sunday on King, in which they shut down one of the most popular streets in the city for a market full of local vendors. It was a great trip overall, and everyone really enjoyed themselves! It was great to explore yet another city in the charming state of South Carolina.

International Students at Ravenel Bridge

Greenville Hockey Game

Our International Students, in partnership with Westminster Presbyterian Church, had the opportunity to attend a local hockey game last weekend. The closest metropolitan area, Greenville, has their own team called the Greenville Swamp Rabbits. Students really enjoyed getting to watch the lively sport and even had the opportunity to go out on the ice after the game!

At PC our winter sports are in full swing! From basketball to baseball, to tennis, we have it all!

Greenville Swamp Rabbits Hockey Game

Future Plans

Tomorrow night we will be having International Night at the PC Women's Basketball game. At the game, they will be recognizing all of our international students. Next month we have spring break and many of the international students have plans to travel during that time. They will be going all over the country: LA, NYC, Florida, and many more. Additionally, we are planning a trip to Atlanta, Georgia in April!

Again, we are looking forward to our Multicultural Mixer which is coming up in March as well. Many of our international students are participating. They will create displays to show off their country and tell PC students more about their culture. There will be tons of international food, dancing, and activities. It was such a success last year and we are sure it will be even better this year!

Don't forget to check out our socials to see what we are up to!

We want you to come to PC!
