

**August 14, 2009**

**Thank you so much for your support of Blue Hose athletics!**

As we move into our third year of transition to D1 athletics, our coaches and student-athletes are looking forward to the challenges of tougher competition. Tougher competition means greater need for Scotsman Club support, and our Division One Commission and Scotsman Club executive committee members have proposed the following changes, effective this fall, that will allow us to both serve you better and put more resources toward support of our student-athletes.

- In order to put your gifts to work as scholarships for our athletes, **our half-time hospitality during football and basketball games will no longer have food or refreshments**, just lots of good friends and fellowship.
- **Walter Johnson Club Fellowship members (\$1,000+) can join us during halftime for football games in the Walter Johnson Room located on the Scotsman Club level.** Beat the heat, grab a Pepsi drink and snack, and catch up on other games throughout the Southeast in the comfort of air conditioning (or heat.) **Access to this room is for Walter Johnson members only**; please bring your membership card to show at the door.
- We know there is no better tailgating experience than Blue Hose football games, so arrive early and stake out your perfect tailgating space. **We've added another lot to accommodate the growing crowds.** Access is by parking pass, so display your parking pass on your rear view mirror and roll on in to your designated lot. (Bring plenty of fried chicken to share with your friends!)
  - Blue Scots-White Lot
  - Highland Scots-Blue Lot
  - Walter Johnson Fellow-Garnet Lot
  - Walter Johnson Sustaining Fellow-Garnet Lot
  - Walter Johnson Medallion-Garnet Lot
  - Walter Johnson Champion Member-Gold Lot (upon availability)

**\*\*Note:** We have added a fourth lot for Blue Scots members called the White lot. This lot is located adjacent to the Blue lot.

- An exclusive **“Director’s Gift”** will be given to all Walter Johnson Sustaining members and above (\$2,500+) starting in 2010.
- The Blue Hose go Green! Not really, but in keeping with PC’s efforts to help the environment, **we will send most of our mail and athletic updates electronically this year.** You get news and information faster and we save on the printing costs. (Again, more money for scholarships!) Just make sure we have your email address to keep you in the loop.
- **We are now posting all Scotsman Club brochures, news updates, and events online and on Facebook.** The Blue Hose community is growing by leaps and bounds, and we know you won’t want to miss a single PC moment. Join our Facebook page by visiting us on [www.facebook.com](http://www.facebook.com). It is the very best way to stay in touch.
