Dear Mr. Brown:

Just a few lines to say I'm  
still around.

It's pretty bad I got mine from a S.P.  
bad, although in jail.

Both my legs are broken and both  
feet totally mangled. However, I'm still  
lucky. I'll be O.K. It will maybe  
take a little time to get back on  
my feet. They tell me I'm going  
back to the States soon. I sure hope  
so.

By the way, don't tell my  
jacks how bad I'm hurt. I  
didn't tell them.

I guess you know by now  
that ~~Frank Heist~~ is a prisoner  
too. We will be in the same company.

I've got a lot to tell you  
when I get back.

Give all the boys my  
regards and excuse the  
writing. I'm <sup>doing it</sup> ~~in~~ ~~at~~ ~~the~~ ~~hospital~~ while  
on my back.

Princiful

L. U. Brussie
