- BADM Major Elective (3)
- Elective (3)
- Elective (2)

Total Credits: 122

Note: This plan illustrates how a student entering PC without external credits (e.g., AP, IB, dual enrollment, etc.) can complete all General Education and Business Administration with a concentration in Management major requirements, undertake an internship, and graduate with a BS degree within three years. The schedule includes sufficient elective credits to pursue a minor or a second Business Administration concentration. Availability of specific courses each term depends on departmental offerings.
