

CARRY FORWARD CREDIT

I request that the Office of Student Collections carry forward the credit on my student account in the amount of \$ _____ to the next term (Fall, Spring, Summer Session I). If all or a portion of the credit is not needed to cover the charges for that term, I will receive an automatic refund of any credit on my account at the normal refund schedule.

I have the right to rescind my request to carry forward the credit and to receive a refund upon written request in the normal refund schedule. I understand that I can not carry forward a credit from one academic term to the next. However, I may endorse my refund check and mail it back to the Cashier to post to the next term.
