English	\$30,000

"I am so excited about the opportunities that PC has given me. The job I have accepted is my dream job as a teacher—the subject, grade, and area I wanted. I will join an elite team of science teachers that have the best scores out of any school in their HUGE school district. PC has opened new doors and given me the experience and confidence I needed to earn a position that not many first-year teachers could get. I am so excited for the future and life post-graduation."

Lindsay Rivers '18, Bachelor of Science in Middle School Education, Science and Social Studies Concentration
6th Grade Science Teacher at Beck Academy (Greenville County School District)
