## 2024-25 South Carolina Residency Certification

The SC Tuition Grant, SC Life, SC Palmetto Fellows, and SC HOPE Scholarship Programs require that all recipients certify that they are South Carolina residents in order to receive the before-mentioned grants. South Carolina residence is based on the parent/legal guardian's residence. The parent/legal guardian must be a resident for a full 12 months before the student is eligible for state aid. The initial determination of one's resident status is made at the time of admission, and any determination made thereafter prevails for each subsequent semester until information becomes available that would affect the existing residency status and the determination is successfully challenged. The burden of proof is provided by the student.
