Office of International Programs  
Presbyterian College

The Office of International Programs (OIP) at Presbyterian College offers airport transportation service to and from Greenville-Spartanburg (GSP) International airport for international students on select dates at the beginning and end of each semester.

At the beginning and end of the semester, there will be one or two days designated for airport transportation provided by OIP. Outside of these dates, students will be responsible for obtaining their own transportation to the airport or to Clinton. Due to the large number of international students in need of transportation, trips will be scheduled at intervals throughout the day in order to reduce the number of trips. Students will be notified in advance of the time of their pick-up/ drop-off.

In order to be eligible for the transportation service, the following must apply:

- Student must be traveling to/from GSP airport
