ENDOW A SCHOLARSHIP

Through endowed scholarships, your investment lasts forever - scholarship dollars are generated from the interest earned on your initial investment - thus, your initial investment is never spent. Endowed Scholarships create a lasting legacy for you, your family, and future Blue Hose! Families have enjoyed funding Legacy Scholarships in their student's name, to be "gifted" to their student at commencement. **Contact the Advancement Office for more info** advancement@presby.edu or 864-833-8320
