

Below are dates and times when you can receive a flu and/or updated COVID vaccine on PC's campus. A few things to note:

- No sign up required. Just show up within the window of time indicated.
- Some dates are designated for PC employees/eligible dependents on PC's insurance only. Others are open to all students and employees.
- You **MUST** bring your insurance card (or photo/image of it) to receive the vaccines at no charge.
- Pay attention to the insurances accepted at the various offerings. Some accept only PC's prescription insurance plan as indicated below. Others being sponsored by Ingles Pharmacy accept all prescription insurance plans.
- Some dates offer only flu shots and others include both flu and COVID available at the various clinics.

| Date | Times | Location | Vaccines Available | Other Information |
|-----------------|----------------------------------------|-------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------|
| 09/13-10/12* | Wednesdays 2-4pm Thursdays 10am-1pm | PC Community Care Pharmacy (School of Pharmacy) | Flu vaccine (standard flu vaccine only) | PC employees only; must have PC prescription insurance card |
| Tuesday, 09/26* | 11am-1pm | Richardson Hall, PA Suite (Main Campus) | Flu vaccine (standard flu vaccine only) | PC employees only; must have PC prescription insurance card |
| Wednesday, 10/4 | 11:30-1:30pm | Wellness Center (School of Pharmacy) | Flu (standard and high-dose) and updated COVID (<i>provided by Ingles Pharmacy</i>) | PC students and employees; any prescription insurance plan accepted |
| Thursday, 10/5 | 11:00-1:30pm | Springs (PC Main Campus) | Flu (standard and high-dose) and updated COVID (<i>provided by Ingles Pharmacy</i>) | PC students and employees; any prescription insurance plan accepted |

- It is fine to receive both flu and COVID vaccines on the same day (but different arms preferred). Or you can get your flu shot one day and COVID vaccine on another day.

*limited supply; offered while supply is available
